

Welsh Government Safer Internet Day Competition

Welsh Government Safer Internet Day Competition Consent Form

The aim of Safer Internet Day (SID) is to raise awareness and inspire discussion about online safety and the importance of using technology responsibly, respectfully, critically and creatively. Coordinated in Wales by SWGfL of the UK Safer Internet Centre and the Welsh Government, a range of SID activities will take place.

This year the Welsh Government are running a Safer Internet Day Competition. The competition involves creating a short film about online safety. The theme of the competition is 'A better internet: how to look after yourself and others'. The competition involves creating a public announcement style advert. More information about the rules of the competition are available in the competition pack.

To promote Safer Internet Day and online safety, the competition entries will be reviewed by a Welsh Government judging panel. A selection of the films will be hosted on the Online safety zone on Hwb. The finalist films will be screened in a VIP viewing which the finalists will be invited to.

Parental consent

Child's name _____

Date of Birth _____ (please initial)

I consent to having our entry film hosted on the online safety zone on Hwb and that images (film or digital photographs) from the film may be used as part of Safer Internet Day 2020 activities to celebrate the achievements of the children and young people and raise awareness of the activities.	
I give permission for the Welsh Government and South West Grid for Learning Trust Ltd to store copies of the online safety film of my child for the specified Purposes.	
I consent that the film or images from the film may be used in or on any appropriate Welsh Government marketing, media, social media platforms communications activity to promote Safer internet day or the competition.	
I confirm this child is not subject to family, care or legal proceedings, or other proceedings that may affect the publication of images.	

Signed (Parent/Carer) _____

Print name _____
