

# Welcome back to School...

Brynnau Primary School

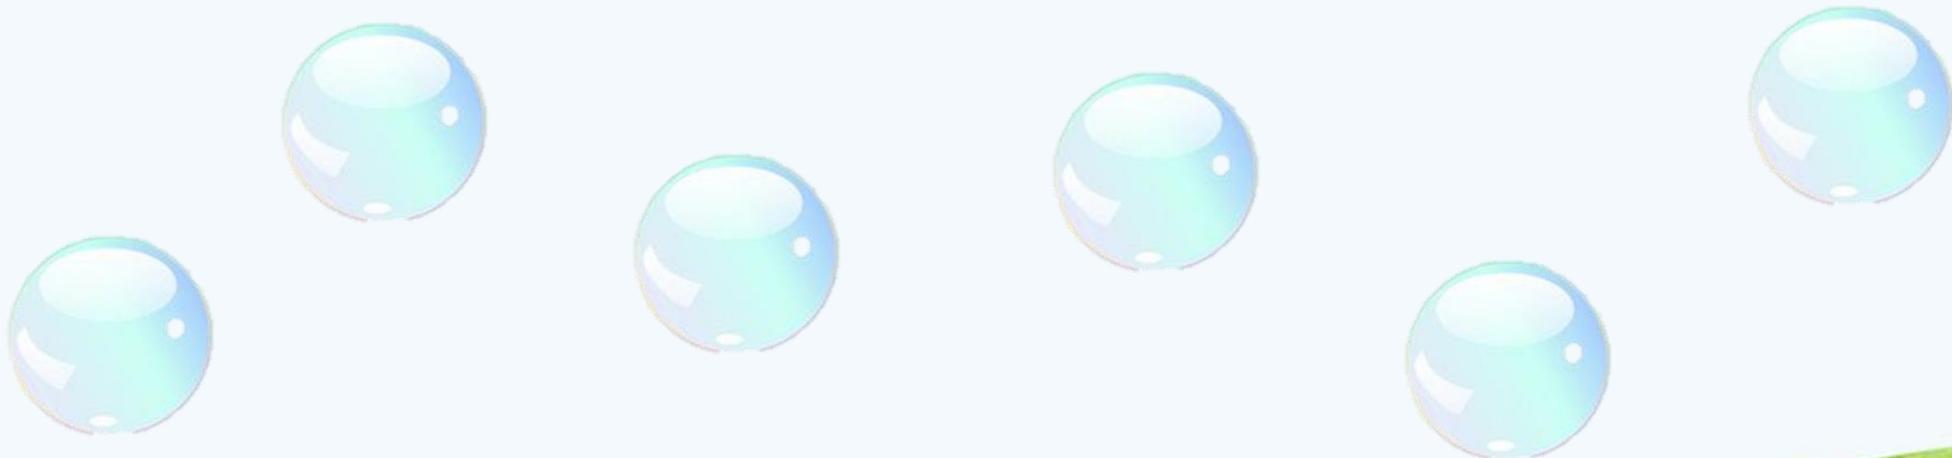

We have missed you lots and we  
can't wait to see you...

But a few things have changed...

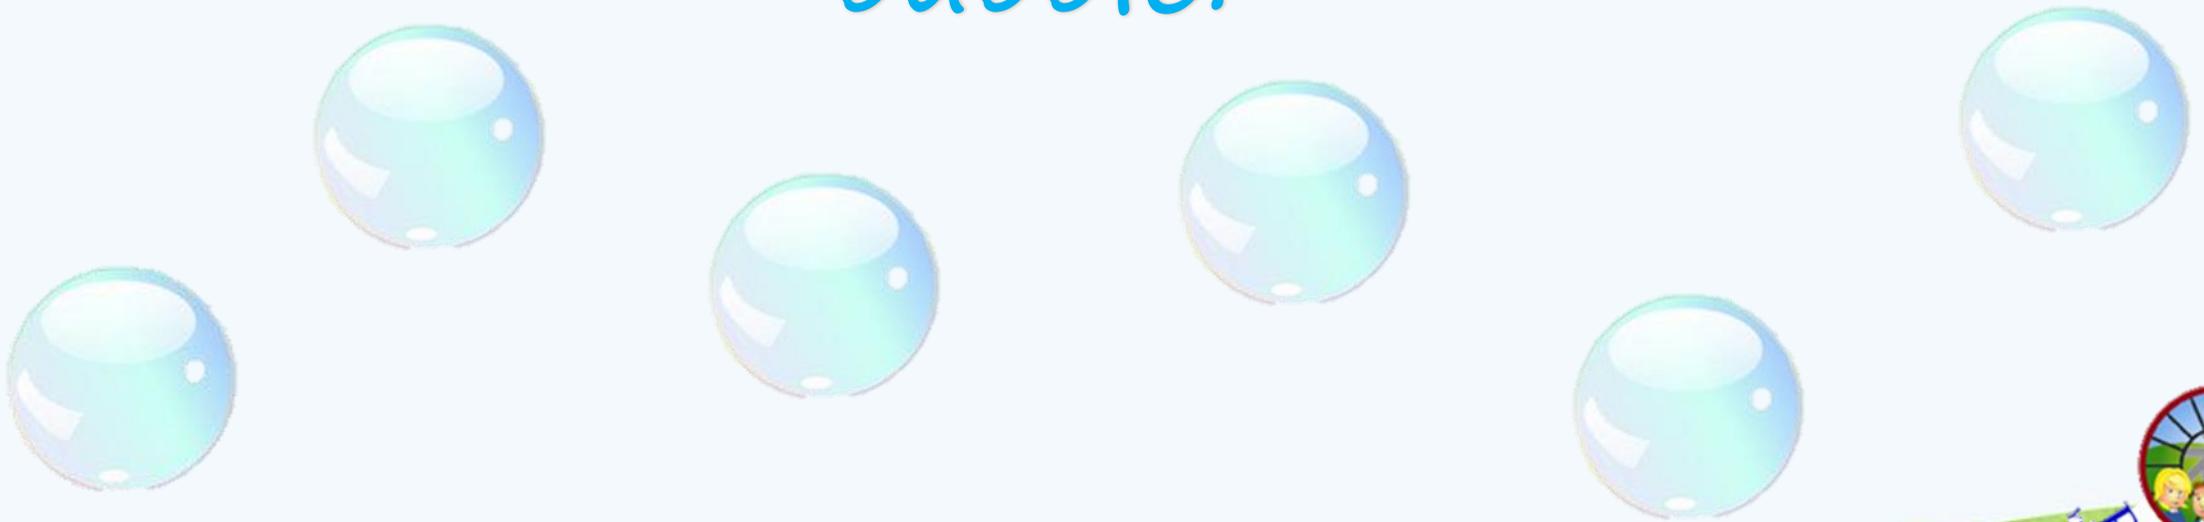

You will come back to school in a 'bubble'. Not a real bubble!

A bubble is a small group of people who will spend their time together at school. It will include some of your friends and 2 grown ups you will already know. You might not have all of your friends in your bubble but you will have some of them.

You won't be able to go into other bubble spaces and they won't be able to come into yours! You will even eat your lunch in your own bubble!

# Welcome back to Dosbarth Enfys!

You will need to leave your mummy or daddy at the gate and come into class through the fire exit door, but don't worry there will be an adult at the door and the gate to help you!

If you are in the purple bubble you will hang your coat up in the purple area of the cloakroom and if you are in the green bubble you will hang your coat up in the green area of the cloakroom!

To start our day nice and clean we will wash our hands and use the 'magic sanitiser'

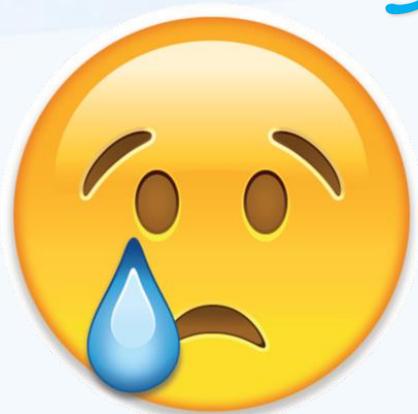

In fact we will do this lots throughout the day!

We will still be able to sit on the carpet and enjoy a story together, but we will be sitting a little further apart.

To keep ourselves safe there will be some things we cannot do...

- Cooking
- Dressing up
- Sand Play
- Playdough

But there are lots of fun things we can do!

Play and Imagine

Have fun and make discoveries

Paint and Create

Build and Explore

And lots of other fun things...

Draw and Write

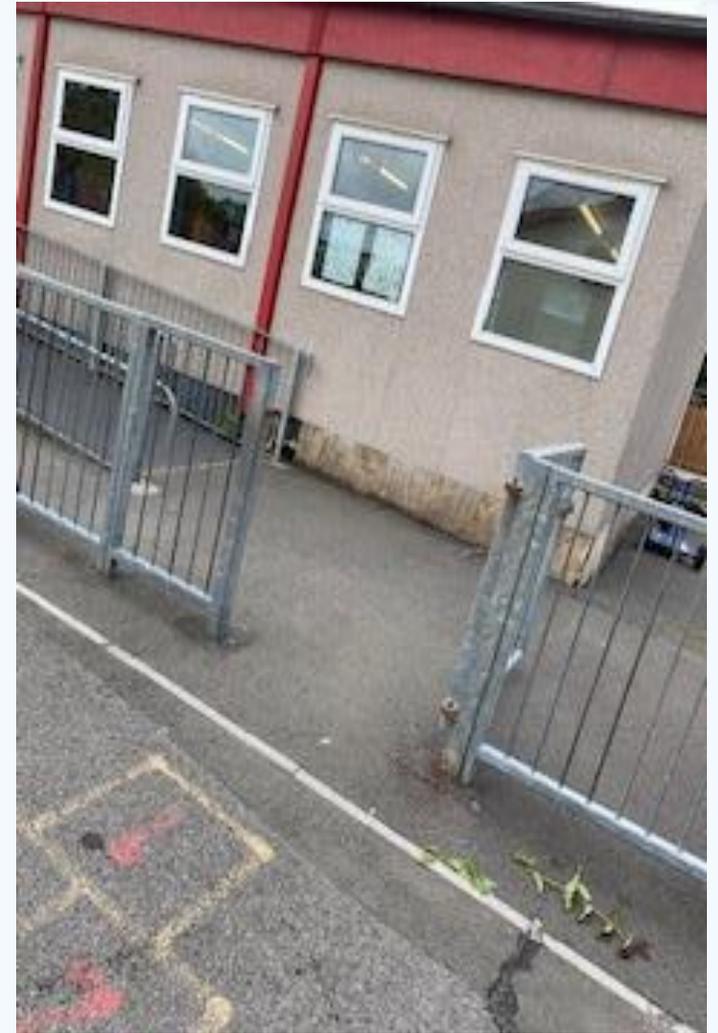

We will spend lots of time exploring and playing outside and we will still visit Brynna Woods too!

*There is still free access to the toilets, but you must use the toilet and sink that matches the colour of your bubble!*

At the end of  
the day mummy  
or daddy will  
collect you from  
the gate!

*We can't wait to see you  
all soon!*
