Service	User Type					
	Learners	Staff	Governors	Non-MIS (e.g. service accounts)	Supply Teachers	Regional Consortia & LAs
Google 3rd Party Web Applications (other than those deployed by Hwb) Controls not possible [No controls]						

Important note: Users or administrators who chose to allow Hwb accounts to access third party apps and/or Google Apps and Extensions for Chrome, including apps provided through managed Google Play, **do so at their own risk and the Welsh Government accepts no responsibility for their use**. It is the user's or administrator's responsibility to read and accept the terms and conditions and privacy notices of each third party app, Google apps and extensions for Chrome that they choose to use.

Google Add-ons
Control of these services is managed by the Welsh Government Hwb Team.
[Non-delegated services]

What is a Google add-on? Add-ons are customized applications that integrate with applications such as Google Docs and Google Sheets and can be identified in the Google marketplace as such e.g. 'Docs add-on', 'Sheets add-on' etc.

There are no Google add-ons available on the Hwb domain.

Chromebook Management - Google apps and extensions for Chrome… that require access to G Suite API or Single Sign On (SSO)
Control of these services is managed by the Welsh Government Hwb Team.
[Non-delegated services]

What are Google apps and extensions for Chrome? Apps or extensions may be added to give a Chromebook more features and functionality. These apps or extensions work like regular programs for desktop computers, but they run entirely in the Chrome browser. It is not necessary to install software or restart the computer.

There are **no Google apps and extensions requiring access to G Suite API or Single Sign On (SSO) available on the Hwb domain.** This type of app or extension can be identified in the Chrome Web Store as "Works with Google Drive".

Chromebook Management - Google apps and extensions for Chrome… that **do not** require access to G Suite API or Single Sign On (SSO)
Control of this service is delegated to local authority Hwb administrators and school digital champions.
[Delegated service]

What are Google apps and extensions for Chrome? Apps or extensions may be added to give a Chromebook more features and functionality. These apps or extensions work like regular programs for desktop computers, but they run entirely in the Chrome browser. It is not necessary to install software or restart the computer.

Apps and extensions that **do not** require access to G Suite API or Single Sign On (SSO) are **delegated** by the Welsh Government Hwb Team to local authority Hwb administrators and school digital champions.

Service	User Type					
	Learners	Staff	Governors	Non-MIS (e.g. service accounts)	Supply Teachers	Regional Consortia & LAs

Important note: Users or administrators who chose to allow Hwb accounts to access third party apps and/or Google Apps and Extensions for Chrome, including apps provided through managed Google Play, **do so at their own risk and the Welsh Government accepts no responsibility for their use**. It is the user's or administrator's responsibility to read and accept the terms and conditions and privacy notices of each third party app, Google apps and extensions for Chrome that they choose to use.

Chromebook Management - Managed Google Play ('paid for' NOT free apps)

Control of this service is managed by the Welsh Government Hwb Team.

[Non-delegated service]

What is Managed Google Play? Managed Google Play is the content marketplace for Android enabling organisations to browse and manage apps from the managed Google Play store.

'Paid for' apps are not available on the Hwb domain.

Chromebook Management - Managed Google Play (FREE apps only)

Control of this service is delegated to local authority Hwb administrators and school digital champions.

[Delegated service]

What is Managed Google Play? Managed Google Play is the content marketplace for Android enabling organisations to browse and manage apps from the managed Google Play store.

Important note: Users or administrators who chose to allow Hwb accounts to access third party apps and/or Google Apps and Extensions for Chrome, including apps provided through managed Google Play, **do so at their own risk and the Welsh Government accepts no responsibility for their use**. It is the user's or administrator's responsibility to read and accept the terms and conditions and privacy notices of each third party app, Google apps and extensions for Chrome that they choose to use.

Chromebook Management - Device settings (including Certificates, Networks and Printers)

Control of this service is delegated to local authority Hwb administrators and school digital champions.

[Delegated service]

Important note: Users or administrators who chose to manage these device settings, do so at their own risk and the Welsh Government accepts no responsibility for their use

Chromebook Management – User and browser settings

Control of this service is managed by the Welsh Government Hwb Team.

[Non-delegated service]

'User and browser settings' are homepages, managed bookmarks or wallpaper for managed devices.

A request to the Hwb Service Desk can be made to change any user settings.
