Joining the Hwb Community and Creating a User Profile

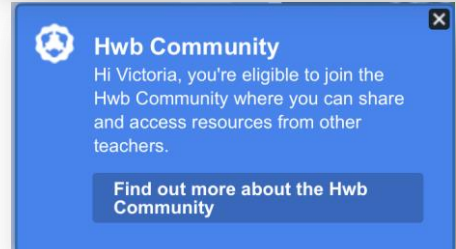

TASK: Join the Hwb Community and create a profile

Join the Hwb Community, access community resources and create your own personal profile.

- Log into Hwb using your Hwb username and password. *(This should be available from your digital champion at school)*
- Once logged in, the blue box will appear to prompt you to join the Hwb Community. Click 'Find out more' to access the terms and conditions.
- The terms and conditions will appear, scroll down and click on the agree box. Once this is checked, the 'Join' button will be active and you can click to join the Hwb Community.

Join Hwb Community

Joining the Hwb Community gives you access to resources created and shared by other teachers. It also allows you to share your own materials via Hwb.

As a member of the Hwb Community, you will be given a user profile which can be personalised to reflect your professional experience and interests.

Being a member of the Hwb Community also allows you access to Hwb Networks, an area where teachers can connect and collaborate with other teachers.

HWB COMMUNITY END USER AGREEMENT

By accessing and using the Hwb Learning Community (the "Learning Community") you agree that you will be legally bound by these terms and conditions (together with and in addition to the documents referred to in it) (the "Community Terms") in consideration of which Welsh Government provides you with access to the Learning Community. Please read these terms and conditions carefully before accessing the Learning Community.
