

# Welsh Government Safer Internet Day 2022 Film Competition

## Parent/carer consent form for a learner

The aim of Safer Internet Day (SID) is to raise awareness and inspire discussion about online safety and the importance of using technology responsibly, respectfully, critically and creatively.

This year, the Welsh Government is running a Safer Internet Day film competition and all the information is available on [Hwb](#).

The competition entries will be reviewed by the Welsh Government judging panel and guest judges from other organisations (to be confirmed).

To promote SID 2022 (on Tuesday 8 February), a selection of the entries to this film competition will be published on Hwb <https://hwb.gov.wales/keepingsafeonline>.

## Safer Internet Day 2022: Welsh Government Competition

### Parent/carer consent form for a learner

School or youth organisation:

Child's name:

Class:

Date of Birth:

- I give permission for the Welsh Government to store copies of the film produced by my child for the specified purposes.
- I consent that the wording, images or audio from the film may be used in or on any appropriate Welsh Government/Hwb marketing, media, social media platforms communications activity to promote Safer Internet Day or the competition.
- I consent to my child's entry being published on Hwb and the wording, images or audio of the film being used as part of Safer Internet Day 2022 activities to celebrate the achievements of the children and young people and raise awareness of the SID activities.
- I confirm that this child/young person is not subject to family, care or legal proceedings, or other proceedings that may affect the publication of images.

Signed: (parent/carer)
